

Checklist Second Opinion

Dear Sir/Madam,

To enable our Vivantes experts to process your request for a Second Opinion in the best possible way, we need comprehensive information about your state of health/your illness. Therefore, please provide us with all relevant information.

We need this information in German or English.

Larger files or image files can be sent via our FileShare system. You will receive the link from the case manager processing your request.

Thank you very much in advance!

Patient Data:
Name, First Name(s), Date of Birth, Nationality
Complaints: short description, symptoms (please enclose medical reports)
Diagnosis (if known)
Have you already received treatment at Vivantes before? (Yes/No)
Other:

Depending on your condition, our experts need e.g.:

- Current medical report (not older than three months)
- Current laboratory test results
- Results of performed diagnostic tests
- Results and images of diagnostic imaging procedures
- Photo of the affected region, e.g. skin changes, and information on its location on the body
